Access to my classroom:

This is our classroom door. You are expected to be ready when the door opens at 8.40am. You are expected to line up on the playground. On the first day back, I will be there to show you. Each day, I expect you to bring a water bottle, your reading book and reading diary to school.

Collection from my classroom:

At the end of the day, I will dismiss you to your parent, carer or a familiar adult. Your grown-ups must call the office to let me know if there is a change of plan. I can't dismiss you to an adult, however familiar they are to you, if I have not been informed.

Learning to look forward to:
